VOLUME 36 NUMBER 1

APRIL 2009

EDITOR, DANN BRYANT

Encounter 2009

Drawing those we serve to relationship with Christ by meeting physical, emotional, and spiritual needs.

The Encounter Teen weekends, January through March, have drawn to a close, but have brought their share of energy and excitement to the campus. In total we were able to partner with over 160 churches and host over 3,000 teenagers!

Our Mission Statement at Monadnock is, "Drawing those we serve to relationship with Christ by meeting physical, emotional, and spiritual needs." Each weekend we were able to see this mission statement fulfilled whether it was meeting physical needs like accommodations and food, meeting emotional needs by being a place of "home" for people, or our God-centered program which met spiritual needs.

Recognizing that people are in different places in their spiritual journey, and, in an effort

to see where our guests are, each weekend we give students and leaders the opportunity to communicate with us through response cards. With this information in hand we are pleased to share with you that over 200 students made commitments to trust Christ as their Savior, and over 500 made a decision to recommit their lives to Christ.

We would like to take this time to say thank you for your vital involvement in the ministries of Monadnock. Thank you for praying for us. Thank you for your financial gifts that enable our ministries to move ahead. Thank you for giving your time as many of you have through the years. Quite frankly, the engine of Monadnock is our volunteers, and we would be incapable of doing this ministry without you.
