PATHWAY TO WHOLENESS

God has called each of us to fruitful and fulfilling service to Him. But sometimes moving forward requires looking back, for until we heal from the past we're destined to re-create it. This weekend we'll actively engage in that process of allowing God to heal and transform us, and as we do, that area of pain actually becomes our greatest gift in ministry to others.

Dr. Scott Larson

Speaker: Dr. Scott Larson is the president and founder of *Straight Ahead Ministries*, an international faith-based organization working with juvenile offenders in more than 400 juvenile detention centers in 15 states and three countries. Scott has been a speaker since 1983. Scott and his wife Hanne reside in Northborough, Massachusetts with their two children, Sarah and David.
