Bring your teens to Encounter 2012 for a winter weekend "mountain top experience." This winter teens will have the opportunity to discuss in detail their blessings and struggles of walking by faith during the optional workshops on Saturday. It is exciting to see teens live out their faith in real and meaningful ways, being an example to their peers, and representing the Lord well in their schools and workplaces.

We desire to empower and partner with youth workers who, like us, believe Christian teenagers can be and are influential people in today's world. We desire to empower students to make an eternal impact for God in their communities through the teachings of excellent speakers! MBC staff and volunteers will lead the programs and activities for the weekend so you are free to spend time with your students, encouraging, counseling, answering questions, and praying and encountering the Lord together.

Looking forward to seeing you this winter at Encounter

"This is my 8th year coming to Monadnock Bible Conference as a student and then leader, and every year I'm impressed by the quality of the weekend and the way it speaks directly to the lives of students and challenges them to grow closer to God."
