## SUMMER CAMP! Two words that go together

*Drawing those we serve to relationship with Christ by meeting physical, emotional, and spiritual needs.*

Summer camp. These words belong together. Like peanut butter and jelly, or maybe pepperoni and pizza. Well, you get the idea. School is out. The summer weather is great. It's hard to resist the opportunity to be in a fun place with friends and away from home. When this experience is combined with a God-centered program, it has the potential to be life changing.

How about you? Did you go to summer camp when you were younger? What affect did it have for you? I don't know what summer camp means for you or what experiences you had when you were a camper. I can tell you what it did for me. Summer camp was the place where I realized my need for Jesus, and I made a commitment to follow Him. It was the best week of my year. The friendships I made and the fun activities we got to do turned each day into an adventure. I remember waking up and thinking, "I wonder what cool things we're going to do today?"

Reasons like these are why we at Monadnock are in camping ministry today. Christian camping is one vehicle that God is using in our world today to change lives. Young people have an awesome time, participate in many outdoor activities, meet other people their age who are living their faith, and hear the truth of God's Word from powerful communicators.

Sending a youth to camp is a GREAT investment! We're offering two summer camps. They are LaunchPoint, a camp for kids, and Ascend, a camp for teens. Call us today at 603.532.8321 for a free brochure, more information, or to register.

Want to sponsor a young person to camp? (We receive many requests for financial assistance.) Your gift will powerfully bless someone else. Turn this newsletter over to read how you can do this. Thank you for all that you are doing to remember and pass along "Summer Camp."
